The Township Office Manager will get all paperwork and payment ready for day of purchase. The new truck has also been put on our insurance, and the old truck is listed on Municibid for sale.

Any other business:

Supervisor Weaver brought to the attention of the board a used Street Sweeper that the road department had found in Virginia which they are going to research for suitability to purchase. There were no bids on our existing street sweeper on Municibid, but Road Foreman Duane Hildebrand noted that the Borough of Conyngham may be willing to purchase for parts. He will confirm with them and advise the board.

Supervisor Weaver listed a number of roads which he would like to get quotes for line painting. Township Office Manager Tolan will provide RoadSafe (Former DCI) with a listing of roads and also ask for follow up on their current job near the light at Sheetz.

Supervisor Weaver requested Township Office Manager Tolan try to secure a quote for budget purposed for an LSA State Grant to restore the roads in the Meadows. A call has been made to Don E. Bower to see if they are able to provide us with a quote for budgetary purposes. Supervisor Weaver also noted that there are areas of Klinger Estates which still need roadwork done.

A discussion regarding weed control took place between the Supervisors and the Road Foreman to determine the best time for the spraying to be done.

Public Comment: There was no public comment.

Adjournment: With no further business to attend to, a motion was made by Supervisor Yost, seconded by Chairman DiSabella, to adjourn the meeting at 8:30 AM. The motion passed unanimously.
